Stefan Liebe Panel A32X Copyright

The Original Panel used in this aircraft (« \A320_FD.cab ») is my adaptation of the A32X panel by Stefan Liebe. I have got Stefan Liebe Authorization to make this changes. The original A32X panel is **copyrighted by Stefan Liebe**.

I thank Stefan Liebe for his friendliness to authorize me to change some values in his xml files to allow them to operate with The Project Airbus Aircraft. All other modifications has been realised by François Doré.

Do not use this A320 panel with another aircraft, because xml files work only with this version of the Project Airbus A320 aircraft !
